

CARICOM WORKSHOP ON THE DEVELOPMENT OF CARIBBEAN SPECIFIC INFORMATION AND COMMUNICATION TECHNOLOGIES (CSICT) STATISTICS AND INDICATORS

GUIDELINES FOR COUNTRY PRESENTATIONS

As per Agenda for the CARICOM Workshop on the Development of Caribbean Specific Information and Communication Technologies (CSICT) Statistics and Indicators, countries are asked to prepare ten (10) minute presentations on the following area:

Item 6: REVIEW OF STATISTICS AND INDICATORS AVAILABLE IN MEMBER STATES

Presentation should include information on:

- Overview of indicators available (as compiled by the Statistical Office or by International Agencies)
- Work done by the Statistical Office to produce these statistics (if any)
- Data available from population census

In addition, we are including an inventory arranged by country of data we think are available. Kindly review the same, make any additions, deletions, etc and bring to the workshop.
